1. General and Revenue Secretary's letter No. 1212—Ml. 368-11, dated the 6th August 1912, forwarding petitions received from the proprietors of public conveyances in the City, complaining against the increase in the tax that they have to pay to the Municipality from the 1st July 1912, and enquiring what remedy the Municipal Council would propose to prevent the disparity of the present rates in the City as compared with those prevailing in the Civil and Military Station Municipality.

*Resolved* that on a further consideration, to be consistent with the rates prevailing in the Civil and Military Station, all hackney carriages may be exempted from the Animal and Vehicle taxes, levying only the License fees according to the rates prevailing in the Civil and Military Station.

2. Draft bye-laws relating to the supply of information by the public in the case of dangerous diseases.

*Resolution.*—The Council is of opinion that, in view of a Special Health Department with an elaborate staff of officers having been maintained at great cost for purpose of finding out and checking the spread of dangerous diseases, there seems to be no necessity for the introduction of this bye-law for the present.

3. Draft amendment to Schedule A appended to the rules sanctioned in Government Proceedings No. 4102-0—Ml. 555-07-4, dated the 28th November 1911, to provide for the levy of a water rate on buildings used as mandies or shops in the City at one per cent on the rental value, with the objections received in the matter.

*Resolution*—The draft amendment to Schedule A is approved.

4. Report of the Sub-Committee appointed by the Municipal Council in the matter of the stoppage of the levy of registration and sur-charge fees on arrack shops in the City.
